Sir:

This paper is being submitted in response to a Notice of non-Compliant Amendment (attached hereto) mailed on November 9, 2006 by the United States Patent and Trademark Office in connection with the above-identified Application. A response to the November 9, 2006 Notice of non-Compliant Amendment is due December 9, 2006. Since November 9, 2006 falls out on a Saturday, a response is due the next business day, i.e. December 11, 2006. Accordingly, this Amendment is being timely filed.
